

A Pure Cream of Tartar Powder

Dr. Wm. Sedgwick Saunders, Medical Officer of Health of the city of London, Eng., was good enough to say that a long and universal experience has proved a cream of tartar powder the most efficient, safe and economical, making food which could not be deleterious to the most delicate stomach.

In England the sale of baking powder containing alum is absolutely prohibited.

WHEN BUYING BAKING POWDER, READ THE LABEL.

Dover Notes.

Albert Lewis had business in Higginsville Thursday.

Webb Cole spent Saturday in Corder.

The meeting of the Central Missouri Odd Fellows Association for which the local lodge 159 had been making preparation, met at Marshall, Mo., on Monday and Tuesday, Oct. 21 and 22. Grand secretary Wilkerson and Grand Master Sterling were both in attendance. The delegates who were there were treated to quite a pleasant auto ride over the city. The association convened at the elegant Odd Fellows hall Monday afternoon at 2 o'clock. The body was called to order by M. C. Chaffee, Jr., who introduced Rev. J. S. Smith. After an address of welcome by him for the local lodge, a welcome from Major Ed Mitchell was given for the city and also one from G. A. Radford for the Commercial Club. To all of these Charles E. Curnutt, president of the association replied in a happy timely way. He then introduced Grand Master A. Sterling, who made an address. Grand secretary Wilkerson also addressed the association. Both were fine addresses for the good of the order. Tuesday afternoon the association was called to order by Pres. Charles E. Curnutt. The minutes of previous meeting were read and approved. After roll call the election of officers took place. Officers elected by I. O. O. F. Association were: President, Dr. W. G. Harwood; Vice President, E. G. Guthrie, Malta Bend; Secretary, W. W. Howe, Iona, Mo.; Treasurer, F. L. Hurt, California, Mo.; Guard, J. Wittup, Marshall, Mo.; Ex. com one year, A. J. Thomas Tipton, Mo. The next meeting will be held in Sedalia on the first Monday and Tuesday of the second week in October 1913.

Dr. E. H. Williams of Kansas City arrived Saturday evening to spend Sunday with Dr. E. J. Kampf.

Rev. F. E. Gordon went to Sedalia Saturday evening on business.

Mrs. Walter Whitsett returned to her home Sunday evening after a few days' visit with Mrs. James Drummond.

W. F. Hinesley, Wm. Aull, Jr., Geo. M. Long and Leonard Coen went to Concordia Friday evening to attend the street fair. They made the trip in Mr. Coen's new car.

J. R. Moorehead returned Saturday from a business trip to St. Louis.

Miss Helen Frazer left Saturday morning for a visit with relatives in St. Joseph, Mo.

Mrs. R. P. Hicks and Miss Mildred Swartz spent Sunday in Sweet Springs.

Not An Experiment

Over a million of Cole's Original Hot Blast Heating Stoves used in America today. They have been proven superior to all other heating stoves by years of use by hundreds of thousands of users. They are in use in every state in the Union; in the homes of capitalists and wage earners, and the most enthusiastic testimonials are received at the factory of the Cole Manufacturing Co. at Chicago every day. Cole's Hot Blast is guaranteed to reduce the fuel bill a third over any lower draft stove of the same size. Guaranteed to hold fire from Saturday night until Monday morning. Guaranteed to give uniform heat day and night with soft coal, hard coal or lignite. Let us show you these stoves and demonstrate their marvelous points of superiority. (R-15)

The stock is entirely new except a few pieces which we are offering at half price and less. It won't cost you a cent to see the stock.

W. G. McCausland

THE SCOURGE OF HOG CHOLERA

Cost the hog raisers millions of dollars last year and nothing short of vaccination seemed to offer the slightest promise of a cure.

Prevention, however, is the real logical solution of the question. Dr. Hess, [M. D., D. V. S.] has always maintained that by giving Dr. Hess Stock Tonic to tone up and strengthen every organ in the system, to regulate the bowels, liver and kidneys, expel worms; and also thoroughly disinfect the premises, sleeping quarters and runs with Dr. Hess Dip and Disinfectant, would prevent an outbreak of this disease.

READ WHAT ONE OF THE BIG HOG RAISERS OF THE COUNTRY SAYS:-

"During 1911 our country was visited by one of the worst hog plagues ever known. We fed Dr. Hess Stock Tonic, and only lost two head out of a herd of two hundred and ten."—Alex. Nevins, Modesta, Ill.

Also note what bulletin No. 182 of the Kansas

State College says about preventing Hog Cholera:-

"When we recall the conditions which favor the disease and the manner in which its infection takes place, it will be seen that feeding and caring of hogs has much to do with the prevention of the Cholera. Premises should be cleaned and disinfected regularly. The hogs themselves should be dipped every few weeks. Maintaining these conditions helps to keep up the vitality of the hog and in this way troubles of all kinds are ward off. To aid digestion and circulation and to prevent worms, this bulletin recommends a formula of Wood Charcoal, Sulphur, Salt, Sodium Bicarbonate, Sodium Sulphate, Sodium Hyposulphate and Black Antimony."

This formula, given in tablespoonful doses would undoubtedly be beneficial but would cost the hog raiser about 10c per pound. Now compare this with the formula for Dr. Hess Stock Tonic which is vastly superior and has stood the test of 20 years.

NUX VOMICA, Digestive and Nerve Tonic.
QUASSIA, Digestive and General Tonic. Expels Worms.
SULPHATE OF IRON, Blood Builder and Expels Worms.
SULPHATE OF SODA, Laxative and acts upon the Liver.
COMMON SALT, Appetizer. Expels Worms.
EPSOM SALTS, Laxative.
NITRATE OF POTASH, Acts upon the Kidneys.
CHARCOAL, Prevents Noxious Gases.
FENUGREEK, Tonic and Aromatic.

This preparation is compounded by Dr. Hess, (M. D., D. V. S.) and sold to you on a written guarantee and only costs 3c per month for the average hog. The definitions of the ingredients are taken from the United States Dispensatory and noted medical authorities.

Feed your hogs

Dr. Hess Stock Tonic

to prevent disease and expel worms. Sprinkle the runs and sleeping quarters with a solution of

Dr. Hess Dip & Disinfectant

one of the foremost coal tar cresote disinfectants known. Also dip your hogs with this solution when the weather will permit, and you will have no loss from disease.

25 lb. Pail - - \$1.60

100 lbs. - - - \$5.00

CRENSHAW & YOUNG

Cold Weather Has No Terror For the Children

When zero weather comes and the children return from play to find the home comfortable, then is the time you appreciate

Cole's Hot Blast Heater

It is without question the most economical heater made. The most "stay satisfactory" heater built. The heater you can depend upon to save fuel and give you steady, even heat, (comfort), for less money than any other—sold on a guarantee to save one-third or more fuel over any under-draft stove made—to hold fire from Saturday night until Monday morning with common soft coal—that the rooms can be heated for two hours in the morning with the fuel put in the night before.

Remember—over 60,000 of these heaters are sold every year and the trade is increasing.

Come in and see this best of all heaters. All sizes—price \$12.00 and up.

Even, clean, fire day and night with Cole's Hot Blast.
